Online learning package about abuse and neglect

People who have complex communication needs may not have learned that they have the right to be safe and treated with respect.

This online learning package is for support workers, teachers and other professionals. It shares evidence based knowledge and skills. The aim is to help people with complex communication needs:

- understand abuse and neglect
- talk about abuse and neglect.

What is in the learning package?

The learning package has 3 parts that talk about:

1. Communication styles and aids
2. Abuse and neglect of people with communication support needs
3. How to talk about abuse and neglect with someone who has communication support needs.

The learning package costs money. It was made by Scope Disability Services.
